

**RAPTOR**

# Timber Processing

POLYMER COMPOSITE STAPLES

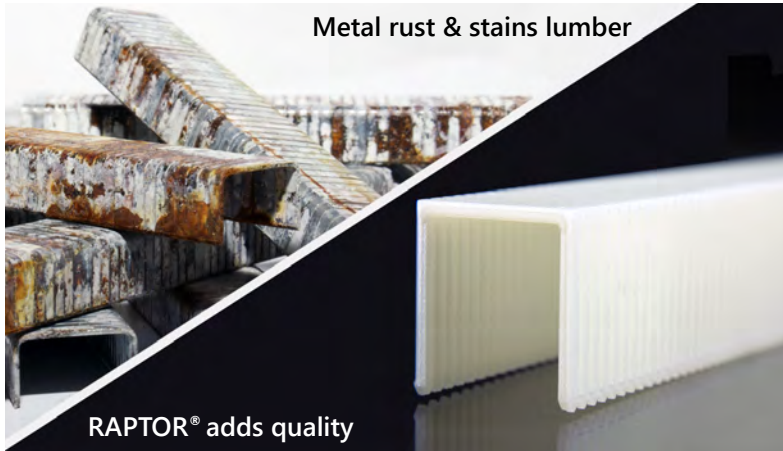

## APPLICATIONS

Lumber Wrapping

Log Tagging

Load Tagging

Lumber Tagging

## BENEFITS & FEATURES

- ✓ Completely non-metal
- ✓ No need to remove
- ✓ Won't trip metal detectors
- ✓ Won't rust or stain lumber
- ✓ Won't damage blades or tools
- ✓ Stronger tensile holding power than similar sized metal staples
- ✓ RF & microwave safe
- ✓ Safe for kraft pulping process
- ✓ Driving performance & strength are unaffected by extreme temperatures
- ✓ No sparking hazard
- ✓ RAPTOR® staples & patented caps provide a rust free, moisture resistant strain relief fastening system for lumber wrap
