

RAPTOR

RAPTOR® CS-5000P Compression Stapler

The CS-5000P Compression Stapler drives RAPTOR® 19 gauge composite staples in 1/4" and 3/8" leg lengths. The easy squeeze handle allows for extended use without fatigue.

This professional tool has been ergonomically designed for comfort and ease of use.

Hardened steel working parts, a retractable driver blade and a simple reloading system make this tool a great addition for any operator who needs a portable stapler.
