

**RAPTOR**

## MANUAL STAPLER

# RAPTOR® G11P-SH05 Hammer Tacker

The G11P-SH05 Hammer Tacker drives the RAPTOR® 16 gauge, 3/8" composite staple.

This professional tool has been ergonomically designed for comfort and ease of use. The power grip handle allows for extended use without fatigue.

Hardened steel working parts, a retractable driver blade and a simple reloading system make this tool a great addition for any operator who needs a portable stapler.
